

AMIE COACHING DETAILS

AMIE examination is the graduate level examination in the where more than one lakh students attempts examination every semester. The main problem faced by AMIE students is the unavailability of the right kind of coaching as demanded by the nature of AMIE examination. Apart from the conventional style, the AMIE exam has its own marks pattern and grade system. Students having complete knowledge on the subject may not be able to score minimum grade for pass. As for an employed student, his official and personnel work schedules puts addition limits on systematically preparing for study. Keeping this in mind, and to help students clear all subjects in minimum chance we conduct Regular full time and Part-time for Section A and B examinations. Our faculties with their vast experience in AMIE coaching will assist and guide you in your career growth.

A candidate shall be required to pass the Institution Examinations, both in Existing Scheme and Revised Scheme, within a specific period as mentioned here under.
